

A close-up photograph of two hands, one appearing older and more wrinkled than the other, clasped together in a prayerful or supportive grip. The hands are positioned centrally against a soft, out-of-focus background. Overlaid on the hands is the text "REMEMBER TO BE" in a bold, black, serif font, with a black arrow pointing right from the left edge and a black arrow pointing left from the right edge, framing the text. Below this, the word "MERCIFUL" is written in large, light blue, 3D block letters with a subtle shadow effect.
